45BP-4.5T Box Plant Trailer

At Titan Engineering, machinery trailers are our speciality.

We supply many of the large excavation and machinery dealers across Australia.

Our user-friendly trailers come in a range of sizes and designs, ensuring you find a trailer specifically suited to your needs.

We will guide you with trailer care, warranty details and maintenance to ensure the longevity of your trailer.

Using 100% Australian steel, we make them Titan Tough.
